EXHIBIT & DISPLAY GROUP

OPTION 2 - INTERMEDIATE

EMBED THE EXHIBITOR'S HANDBOOK FLIPBOOK ON YOUR WEBSITE

Issuu is a free platform that allows you to convert documents into interactive publications through a user-friendly environment. At Orbus, we utilize this software to bring our printed collateral online and send our capabilities to all corners of the internet. Below you will find some brief instructions to embed the Exhibitor's Handbook into your web page. If you use the code below, the flipbook will automatically update on your site as we make changes over here.

If you have any issues, please contact webmaster@orbuscompany.com.

To embed the flipbook

1. Copy the code in the text file included in this pdf portfolio.
2. On your website, paste the code into the web page you would like the flipbook to appear.

   NOTE: If you would like to change the width or height, proceed to Step 3. Otherwise, proceed to Step 5.
3. Determine the width and height (in pixels) that you would like the flipbook to appear.
4. Replace the width and height in the code snippet with your height and width on the website.
5. Save your web page and view in your web browser.

For more customization:

To customize the flipbook even more or if you are looking for a particular embed code (i.e. Facebook, Wordpress, Blogger, etc.), please follow this link and click "Get embed code." The code produced in this way will NOT automatically update.
