

ILLUMINATE MESSAGING WITH **NEW BACKLIT EMBRACE™ COLLAPSIBLE DISPLAYS**

*LED lighting patent-pending

Introducing a new way to stand out amongst the crowd – Backlit Embrace™ displays. Featuring LED lighting* that easily attaches to the collapsible frame and vibrant backlit, push-fit SEG fabric graphics, the Backlit Embrace is a superior illuminated collapsible display solution.

Backlit Embrace is ideal for use at tradeshow, in retail environments and more to create eye-popping messaging.

- Four sizes: 5' W tabletop, 7.5', 10' & 12.5' W inline
- Single & double-sided graphics options
- Lighting kits also sold a la carte to convert a non-illuminated Embrace. Angled channel bars and LED lighting quickly attach to existing frames
