FOR IMMEDIATE RELEASE

**ORBUS EXHIBIT & DISPLAY GROUP ANNOUNCES 40+ NEW PRODUCTS
IN NEW EXHIBITORS' HANDBOOK**

Bolingbrook, IL – January 17, 2012: Orbus Exhibit & Display Group announces the addition of over 40 new products to its extensive offering of tradeshow, exhibit and display products. These products appear in the recently-released first edition of the company's 2012 product catalog, The [Exhibitors' Handbook](#). Here are a few of the recently introduced products and product lines.

Backlit Hopup

Hopup tension fabric displays are fast, simple and versatile. Orbus' new Backlit Hopup is illuminated, helping to make the graphic pop and stand out. Orbus offers full kits with hardware and graphics as well as hardware and graphic only options.

Blade Lite Series

The Blade Lite series of retractable banner stands incorporate sleek aesthetic features and are designed to provide everyday reliability, durability and ease of use. The Blade Lite is available in four different widths with a weighted base for stability and adjustable leveling feet.

Start

Freedom

The Start banner stand is reliable and durable. The new Freedom banner stand is also dependable and is available in two different widths. Both units feature functional designs, are simple to assemble and come with carry bags.

Linear Monitor Kiosk 6

Orbus' new series of Linear Monitor Kiosks add function and flare to any space. LCD/Plasma screens are supported with extrusion-based construction and are coupled with rigid graphic infill panels or frosted plex panels for a unique messaging opportunity.

Linear Tabletop Kit 3

The new line of Linear Tabletop displays feature tension fabric center graphics, are lightweight and take minutes to assemble. The tabletop displays provide a modern and dynamic flare and are available in four styles. Customized units are also available.

Linear Pro & Standard Kits

The new series of Linear Standard & Pro 10' and 20' exhibit kits provide a modern and stylish appearance. The extrusion based exhibits feature new Velcro-applied fabric graphics, which are easy to apply and assemble. Headers and wings are available in printed graphics or frosted plex. Kits also come with lights and durable storage cases. Customized units are available.

"We strive to provide new solutions as well as make continuous enhancements to existing products to ensure our clients are positioned to lead our ever-changing industry," said Giles Douglas, President and CEO of the Orbus Exhibit & Display Group.

[The Orbus Exhibit & Display Group](#) is a market-leading, privately owned group of companies that specialize in the manufacture and trade only supply of portable modular and custom modular, exhibit and display products, graphics and solutions. Companies within the group include **[Orbus365](#)**, **[SignPro Systems](#)**, and **[Origin](#)**.
