**FOR IMMEDIATE RELEASE**

**ORBUS EXHIBIT & DISPLAY GROUP ACHIEVES ISO 14001:2004 STATUS, MAKING  
THE COMPANY THE 1<sup>ST</sup> GREEN TRADESHOW COMPANY IN NORTH AMERICA**

**Bolingbrook, IL - March 3, 2010:** The Orbus Exhibit and Display Group, one of North America's leading trade suppliers of display, exhibit and event solutions, is proud to announce its environmental management system fulfills the requirements of ISO standard 14001:2004 for 'Green certification'.

The Orbus Exhibit and Display Group is one of the 1st portable modular tradeshow manufacturers and suppliers in North America to achieve such certification.

With worldwide growing concerns regarding the living environment, ISO 14001:2004 is recognized as an organization's high level commitment to environmental protection. The ISO 14001:2004 standard is primarily concerned with the approach of "environmental management," which provides guidance to the organization to:

- Minimize harmful effects on the environment caused by business activities
- Prevent pollution
- Achieve continual improvement of environmental performance

Management system refers to an organization's structure for managing its processes or activities. This structure transforms input of resources into a product or service that meets the organization's environmental objectives such as complying with regulations and resource effectiveness.

*"At The Orbus Exhibit and Display Group, we strive to minimize our impact to the environment through companywide care in the design, manufacture, storage and distribution of our exhibit products and services,"* said Giles Douglas, President and CEO of The Orbus Exhibit and Display Group. *"Orbus is one of the first companies in our industry to achieve ISO 14001. We recognize that the world's natural resources are limited and fragile and we consider environmental protection to be consistent with our overall goals and Orbus' core company values."*

**The Orbus Exhibit and Display Group** is a market-leading, privately owned group of companies that specialize in the manufacture and trade only supply of portable modular and custom modular, exhibit and display, products, graphics and solutions.

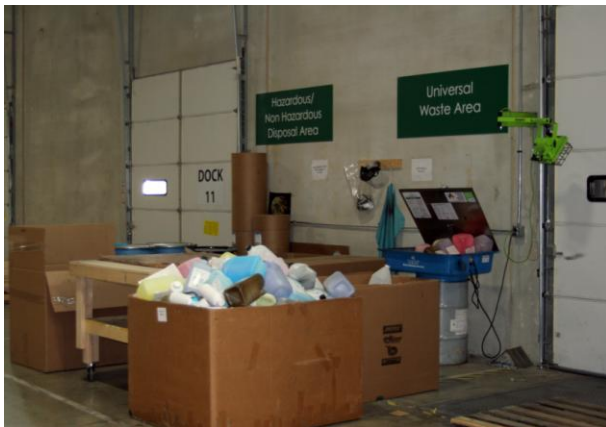

Companies within the group include [Orbus365](#), [SignPro Systems](#), [Origin](#), and [Axis](#).
